

Candidature statement for Skal Europe Vice President

Our motto is **Good Health, Friendship, Long Life, Happiness** and in *future normality* these words will be not only be kind ones but a real “Manifesto” for the tourism sector.

Experience at the service of the Skallegues, is the Academy motto and I’d like to create a Skal Europe Academy, connecting virtually all the European Skallegues to attend Seminars and short training sessions.

Here are my targets:

1. **Create** a European Skal Academy, not in competition with schools and universities but in collaboration with numerous experts we have in our Clubs
2. **Select** a **Skal Academy support group**
3. **Create** a **European Young Skal working group**
4. **Connect SKAL EUROPE** to the EC Structure
5. **Collaborate** with all the members of the board, and with all the National Skal Presidents and their Boards, to achieve all the objectives we are going to agree!
