Project Summary

Purpose:

Promote and acknowledge Skålleagues and clubs worldwide actively contributing to sustainability initiatives. Share their successful practices to inspire and encourage other clubs globally.

Objective:

Establish a robust Skål International Sustainability Champions Network to collect, showcase, and disseminate innovative sustainability initiatives from diverse Skål clubs.

Goals:

The ultimate goal of the Skål International Sustainability Champions Network initiative is to empower every Skål club worldwide to create a comprehensive sustainability portfolio, fostering active participation in the club's program for enduring ongoing environmental consciousness.

Let's Inspire and Drive Change Together

Sustainability Begins at Skål!

Who can join?

Active participants in regional or club-level sustainability activities.

Champions who motivate others to embrace sustainability and organize events.

How to join?

CHAMPIONS LEADER

- Empower 14 Active Region Champions to effectively assign and lead champions in their regions, emphasizing sustainability incorporation in club portfolios.
- Facilitate virtual meetings among all Region Champions for idea generation and project planning, ensuring the oversight of club activities that promote sustainability.
- Monitor and ensure the activity levels of each region and provide support and guidance to Champions when necessary.
- Create materials and promotional items to help champions promote the project's concept to clubs more effectively.
- Guide the preparation and submission of comprehensive activity reports, encourage the use of the Sustainability Kit, and promote #SkalSustains in club activities.
- Disseminate information on Global Sustainability Award deadlines and formalities, ensuring clubs under supervision are well-informed.

14 ACTIVE REGION CHAMPIONS / REGION CLUBS CHAMPIONS:

- Each Champion Leader shall assign one or more active champions the Region he/she is in charge of.
- Encouraging all clubs within your region to incorporate sustainability in their portfolio.
- Conduct virtual meetings as needed to generate ideas and plan projects.
- Oversee and ensure that clubs organize activities promoting sustainability and awareness, submitting reports, pictures, and stories for the SI website and newsletter.
- Ensure the activity level of each region; if a region or club is inactive, reach out to the club champion, provide support, guidance, or assign a new club champion.
- Prepare activity reports (use provided template).
- Ensure clubs are using the Sustainability Kit created by SI AGPTS Sustainability team.
- Ensure clubs are aware of the Global Sustainability Award submission due dates and its formalities.
- Ensure clubs are using hashtag #SkalSustains.

ACTIVE CHAMPIONS:

- Take a hands-on approach by contacting clubs, writing reports, following up, exploring new resources, and sharing ideas.
- Actively participate in all or most meetings.

PASSIVE CHAMPIONS:

- Offer support by disseminating information, providing suggestions, and taking on smaller tasks, catering to those with limited time.

300+ SKAL CLUBS:

- Assign one member from each club to focus on sustainability.
- Encourage his/her club to include sustainability in club's portfolio.
- Organize activities promoting sustainability and submit reports to active champions, corresponding Region Champion Leaders for further enhancement. Co-chairs will coordinate with SI website and the SI newsletter.
- Encourage club members to use AGPTS Sustainability Kit, refer for ideas.
- Make use of hashtag #SkalSustains when publishing their activities to social media.
